NEXTGEN delivered a complete 3 day turn key event production service, managing every aspect of the show from start to finish. Our complete end-to-end solution included the following components:

— **Striking LED Video Wall:**

A striking 6.5m x 3.5m LED video wall that captured attention and delivered a visually immersive experience.

— **Immersive Audio Experience:**

Meticulously designed line array sound system for an immersive audio experience.

— **Dynamic Moving Light Show:**

Dynamic moving light show enhancing the visual ambiance and creating a captivating atmosphere.

— **Enhanced Staging System:**

A sophisticated staging system complete with stairs and handrails, ensuring safety and accessibility for all attendees.

— **FOH & Roving Cameraman:**

A skilled roving SDI Broadcast cameraman capturing onstage moments and delivering dynamic visual content. Front-of-house broadcast-quality cameraman providing an encompassing view of the entire event.

— **Show Director for Seamless Coordination:**

A show director ensuring seamless coordination and execution of the event, overseeing every aspect of the production.

NEXTGEN are passionate about delivering excellence and creating unforgettable moments. Our team of experts is eager to collaborate with you to elevate your event. Let's join forces to bring your vision to life and make your ideas a reality.
