NEXTGEN delivered a complete turn key production service, managing every aspect of the event from start to finish. Our complete end-to-end solution included the following components:

— **Stage Trailer:**

Coordinated the setup and breakdown of the stage trailer, ensuring that all technical aspects of the trailer, including lighting and sound systems, were operational.

— **Production Management:**

Planned and scheduled production timelines with detailed precision. Coordinated seamlessly with various departments to ensure a smooth workflow.

— **Liaising with City of Melbourne:**

Collaborated closely with the City of Melbourne team to convey important updates and information. Facilitated the exchange of information between different departments. Ensured consistency in messaging across various communication channels.

— **Compliance and Documentation:**

Ensured strict adherence to industry regulations and standards. Oversaw the creation and maintenance of necessary documentation, such as insurance and OH&S standards. Conducted internal audits to verify compliance with established protocols.

— **Lighting:**

Designed and executed intricate lighting plans for various productions, considering artistic vision, safety standards, and energy efficiency.

**NEXTGEN are passionate about delivering excellence and creating unforgettable moments. Our team of experts is eager to collaborate with you to elevate your event. Let's join forces to bring your vision to life and make your ideas a reality.**
